

PARTICIPANT AND TRAVEL ACCIDENT INSURANCE

FOR THE ENTERTAINMENT
INDUSTRY

THE CASE FOR COVERAGE

Whether it's an on-stage performance or film production abroad, the dynamic nature of entertainment activities can increase exposure to accidents and present unique risks.

Injuries to performers, production crews or participants can pose a potential liability exposure for organizations, especially if accident expenses are not covered by existing general liability policies and/or the injured participants are under/uninsured.

With Participant Accident Insurance, organizations can complement their general liability plans by covering accidents under a separate policy and potentially helping to fill gaps in coverage.

Additionally, for many entertainers, travel is a vital part of their careers. Whether they tour the globe or scout a new film location, travel can increase the risk of unexpected disruptions and accidents. With Travel Accident Insurance, entertainment organizations may help to protect the wellbeing and security of their travelers wherever their creative vision takes them.

HOW WE MEET YOUR NEEDS

No fault Accident Insurance pays claims regardless of who was responsible for the Accident.

May help to reduce overall out-of-pocket expenses by providing coverage that often fills gaps in traditional health plans and helps minimize the impact of high deductibles.

Customized plan designs can be tailored to meet the unique needs of performers, crews, high profile entertainers, and other participants traveling domestically and abroad.

Complementary Travel Accident Insurance benefits may help to enhance existing workers' compensation insurance by providing evacuation and emergency medical assistance for travelers.

24/7 non-insurance travel assistance services offer a range of services including pre-trip information and emergency medical evacuation.
