

Your Edge Over Rising Health Care Costs

Berkley Edge is a next-level cost-containment solution exclusively for clients of Berkley Accident and Health. Designed to help clients get an edge over rising health care costs, this program provides proactive support and insights into health risk strategies that can help lower the overall cost of health care.

Berkley Edge can help analyze health risk issues, identify savings opportunities, and recommend cost-containment strategies. This full range of support – before, during, and after a claim – has resulted in well-documented savings for our clients. We act like an extension of their team, helping them understand their unique health risk issues.
