

Your Edge Over Rising Health Care Costs

Innovative Cost-Containment Program for Policyholders

Berkley Accident and Health Risk Edge is a next-level cost-containment solution available exclusively to our policyholders. Designed to help clients get an edge over rising health care costs, this program provides proactive support and insights into health risk strategies that can help lower the overall cost of health care.

Risk Edge can help:

- ✓ Analyze health risk issues
- ✓ Identify savings opportunities
- ✓ Recommend cost-containment strategies

This full range of support – before, during, and after a claim – has resulted in well-documented savings for policyholders. We act as an extension of their team, helping them understand their group's unique health risk issues.

How it works

Rethinking health risk management

At Berkley Accident and Health, we're focused on policyholders' needs and delivering next-level risk management solutions.
